Re: Fruit Fundraiser

Today we are beginning an exciting new fundraiser selling fruit and nuts from Florida Farm Bureau! This is another great way to raise money for you student's trip account. We have partnered with Florida Farm Bureau to provide you with the freshest fruit and nuts available. Don't forget your friends, family, and coworkers. Everyone loves Fresh Fruit from Florida!

Students were given order forms today. **Orders will be taken until November 9<sup>th</sup>, at 4:00 p.m.** 100% of the profits will go to the individual student account, as long as the \$50 Cow Chip Minimum was met. If not, then the first \$50 profit (or difference) will go to Booster Organization and all profit after will go to student accounts. **All orders must be pre-paid.** Checks should be made payable to **Central HS Band.** **Fruit and Nuts will arrive between December 3-December 7.**

If you have any questions or need extra order forms, please contact the band office.
